AMALI 1: Menghasilkan laman web menggunakan Jimdo.com

Melalui amali ini, para pelajar akan didedahkan dengan kemahiran asas pembangunan laman web menggunakan platform Jimdo.com

Arahan

1. Buka laman Jimdo.com pada pelayar web
2. Klik butang Start Now

3. Masukkan butiran email dan password. Tandakan setuju pada Jimdo Terms of Services dan klik Sign Up.

The screenshot shows a web browser window for a Jimdo account sign-up page. The URL in the address bar is https://account.e.jimdo.com/en/accounts/signup/?next=/openid/authorize%3Fclient_id%3Dthe-signup-flo.... The page title is "Signup".
The main heading is "Sign up for your website here.". There are two buttons at the top: "SIGN UP" and "LOG IN".
The "E-mail" field contains "syamsulum@yahoo.com".
The "Password" field contains "*****" and includes a visibility toggle icon.
A note below the password field says "Password must be at least 5 characters."
There are two checkboxes:

- I would like to be informed about offers and updates via email.
- The Jimdo [Terms of Service](#) apply.

The Jimdo [Privacy Policy](#) applies.

[Sign up](#)

or

 [Sign up with Facebook](#)  [Sign up with Google](#)

4. Buka inbox email yang digunakan semasa pendaftaran Jimdo tadi. Buka email dari Jimdo dan klik butang Confirm Now. Email anda akan disahkan.

The screenshot shows a Yahoo Mail inbox with the URL <https://mail.yahoo.com/d/folders/1/messages/7122>. The inbox contains 999+ messages, with 14 unread messages. A message from Jimdo is selected, with the subject '[Jimdo] Please confirm your email address'. The message body includes a Jimdo logo and a 'CONFIRM NOW' button, which is highlighted with a red rectangle. The URL at the bottom of the page is https://account.e.jimdo.com/en/accounts/confirm-email/NDkwNTI5Ng:1gIndQ;GvtthBpsU-EOEIA0iAckWpbAkha/?next=%2Fopenid%2Fauthorize%3Fclient_id%3Dthe-signup-f....

5. Pilih jenis laman web yang hendak dibina. Untuk amali ini klik Create a website.

The screenshot shows a web browser window for Jimdo. The URL is https://register.jimdo.com/en/. The page title is "WELCOME TO JIMDO". The main heading is "What kind of website would you like to create?". There are three options:

- Website**: Represented by an icon of a computer monitor with a pencil writing on it. Description: "Bring your business or portfolio to life with your very own website."
- Store**: Represented by an icon of a storefront with a striped awning. Description: "Follow your passion and create your own online store."
- Blog**: Represented by an icon of two speech bubbles. Description: "Tell your story on your very own blog."

At the bottom, there are three blue buttons with white text:

- Create a website** (highlighted with a red border)
- Create an online store**
- Create a blog**

6. Pilih kotak pertama (AI web designer) dan klik Start now!

The screenshot shows a web browser window with three tabs open. The active tab is titled 'How do you want to create your website?' and has the URL <https://register.jimdo.com/en/product>. The browser address bar shows 'syamsulum@yahoo.com'. The page content asks 'How do you want to create your website?' and presents two main options:

- The AI web designer that builds your website in three minutes**: This option includes a blue 'Start now!' button, which is highlighted with a red rectangular border.
- Build your own website from the ground up**: This option includes a blue 'Start now!' button.

Below each option, there is a brief description of what the user can expect to do with that choice.

7. Pilih jenis laman web. Untuk amali ini, pilih Not sure.

The screenshot shows a web browser window with the URL <https://cms.jimdo.com/wizard/purpose/>. The page title is "What kind of website do you want to create?". There are three options: "Business Website" (a professional website for companies, entrepreneurs, and freelancers), "Personal Website" (for portfolios, hobbies, or projects you're passionate about), and "Not Sure" (No problem! Create a website and customize it as you go). A "Skip this step" button is at the bottom.
